# COMPANIES ACT AND RBI NORMS

## commonly observed deficiencies in internal controls

Join us for an insightful webinar where CA Kamal Garg, a renowned expert and Fellow Member of ICAI, will delve into the complexities of the Companies Act and RBI Norms. Discover the commonly observed deficiencies in internal controls and learn how to address them effectively to ensure compliance and enhance organizational integrity

CA Kamal Garg, a Fellow Member of ICAI, holds a First Class B.Com (H) degree from the University of Delhi and a Diploma in Information System Audit (DISA). He is a registered Insolvency Professional with IBBI and has completed the BRSR Certificate Course and NISM social auditor examination. His professional roles include contributions to various ICAI committees, such as the Accounting Standards Board and the Financial Reporting Review Group. An accomplished author, his works include 'IFRS and Ind AS Concepts and Applications' and 'Insolvency and Bankruptcy Code - a Ready Reckoner'. Kamal Garg has shared his expertise widely, contributed to regulatory projects, and trained CBI Inspectors in Insolvency and Bankruptcy Laws, highlighting his impact in the fields of accounting and insolvency.
